

## Your favourite neighbours, your \$250 bonus ....

**Dear Citizens of Kokanee Village,**

Before we tuck the park in for winter, a couple of sweet stories from around camp: Shelby confessed she bawled her eyes out after rehoming the chickens and roosters (we felt that one). And over at one site, folks threw a “everyone’s winter birthday” bash - snacks for days, a giant cake, and a chorus of Happy Birthdays that could’ve powered the generator. Cute, cosy, and so very and so very community.

Now, onto next season - 9 sites are opening up. If you want your favourite neighbours right beside you, we’re asking you to jump in and participate - please try again and refer a friend. When they sign, you’ll pocket a **\$250 referral bonus** (neighbour points and coffee money).

Any questions? **Ernie’s your guy**

... and our new beach

To make the park even better for you and your crew, SebaHub is adding perks. Starting next year, enjoy a **private lakeside beach - free of any extra charge** - on Ninth Street South with about **200 feet of shoreline** (yay!). And as SebaHub grows, expect even more features and services will be coming your way.

With gratitude, humour, and maybe a little too much coffee,
